Aim for Excellence

Awards are your objective when you aim for excellence. Awards might appear in the shape of a polished metal or paper document. These are cherished and put in a conspicuous place.

The real award is shapeless and cannot corrode or sit motionless on a shelf. Awards are a satisfaction that is earned from a job well done. This satisfaction has not idle dimensions. It generates ones desire to serve others. The only way to keep this trophy of satisfaction is to give it away.

THEIR FIRST YEAR AT VALLEY

The 1965 INDIAN welcomes you to its teaching staff. The Annual Staff feels that each of you will enjoy an awardable year working with a student body that has proven itself to be superb in ethical values.

The dignity of Valley's students is exceeded only by their respect for each other. This claim is evidenced by the present faculty who have devoted years of unselfish service in the Valley Local School System to the success of students--and this is a teacher's award.

HONORABLE MENTION, ALL STATE

Valley High held the spotlight all during the 1964-65 area football season thanks to the outstanding performance of Gene Tenace.

Playing half-back for the Indians, Gene accrued 128 points, making 19 touchdowns. He received honorable mention in the state; was chosen Conference half back on the offensive team; area sports writers were unanimous in acclaiming him the offensive half back on the district team.

He proved through his performances that he had the three foremost qualifications that coaches seek--the right attitude; discipline and pride in his work; and the willingness to sacrifice other interests to become a good player.

Major League baseball scouts have shown interest in Gene's ability and he plans to make baseball his career. Valley High wishes him the best of luck always.

TRACK

This was only the 2nd year of track at Valley High School, but our team was one of the best in the county. During the regular season we had 2 victories against 3 losses. Here are the scores: Valley 49--West 18; Valley 69 1/2--Wheelersburg 30 1/2; (triangulars) Valley 52, Piketon 70, Lathem 3; Valley 43, Portsmouth 66, Manchester 39; Valley 40 1/2--Notre Dame 59 1/2.

Although we faced three losses in the regular season, all of these were so close that the difference of one individual event could have changed the results.

Our track team this year made its best showing in the tournaments. We participated in four tournaments in this region. These are as follows: The Manchester Tournament (1) Valley 54; (2) Manchester 51 1/2; (3) Georgetown 44; (4) Bethel 32; (5) Williamsburg 22 1/2; (6) Ripley 10; (7) Maysville 9; The County Meet: Valley 65; Wheelersburg 40; Northwest 34; West 27; Minford 15; The S.A.C. Meet: Notre Dame 68; Valley 51; Waverly 28; Wheelersburg 16; Northwest 13; West 13; Minford 4.

Our track team also traveled to Chillicothe for the district track meet. Here we qualified our two relay teams and shot-putter Jim Baiher, for the regional track meet at Dayton. Here Jim placed 6th in the district.

This was a very good year for Valley in the field of track, but next year's outlook is even better.

CLASS "A" STATE RUNNERS-UP

The 1965 baseball season was the most successful in the history of Valley High School. The team won 19 and lost 5 while winning the Scioto County League with a record of 6 wins and 1 loss and finishing in a tie for the Southern Ohio League Championship with a 5 won and 2 lost record.

The highlight of the season came in tournament play when the Indians won the Class "A" sectional, district, and regional tournaments to become the first Scioto County baseball team to play in the state baseball tournament since the tournament was reduced to four participants.

A 9 to 0 victory over Powhatan, the 1963 Class "A" champs, gave Valley a place in the state championship game. Five unearned runs ruined the Indians chances, in losing to Versade, but the 50 car parade that welcomed the state tournament runner-ups took some of the "sting" out of the defeat.

The successful season was a team effort with all players contributing, but one player was singled out to receive special post season honors. Shortstop Gene Tenace was selected to play in the East-West All Star Games in Columbus. This was an honor equal to being selected to the All state team in basketball or football, and it was the first time a Valley athlete had been thus honored.

The team was comprised of nine seniors, three juniors, two sophomores, and one freshman.
